PLAYING SESSIONS AT FARNHAM BRIDGE CLUB LEARNING CENTRE

Open to anyone
A partner is provided
Players taking lessons may continue playing after their lessons for free
Other players may come along just for the playing session, which costs £6
The playing session starts at 7.30pm on all Fridays, arrive at 7.15pm

Supervised Rubber Play

The most enjoyable aspect of bridge is the playing. Practice helps the Learning. Suitable for all levels, you will be seated with those of a similar standard. However this social bridge has an expert on hand.

Supervised Duplicate

This session introduces the challenge and excitement of Duplicate Bridge by playing duplicate hands. We provide advice and help with the bidding and play

Gentle/Friendly Duplicate

This session provides the bridge (excuse the pun) between Supervised and Duplicate Bridge. You will move around the room like regular duplicate. However the pace is gentle and the atmosphere is friendly and advice is also available for the scoring and tactics

If you wish to make a country weekend of it and stay in a nearby hotel please let us know and we can give you recommendations of local hotels.

THE TEACHERS AT THE LEARNING CENTRE

All the teachers are English Bridge Union qualified

Farnham Bridge Club has brought together a team of teachers who on average have been teaching for over 20 years. They all have a wealth of experience in teaching beginners, and have made many life long friends and created the opportunity for the players to continue playing and enjoying the game. The team are still regular players themselves, representing their county and clubs in numerous congresses, and pass on the latest developments within the game. Above all they make it a fun game to play. We ensure that whatever your desire is, whether it is to improve your game or it is to find like-minded and like-ability individuals to play with, then we can point you in the right direction.
